PRESS RELEASE

Make in India" Event
organized by the Embassy of India, Lima in association
with the Indian Chamber of Commerce in Peru (INCHAM)

The Embassy of India in Lima in association with the Indian Chamber of Commerce in Peru (INCHAM) organized an event to mark the Prime Minister Narendra Modi's initiative MAKE IN INDIA on 22 October, 2014.

The programme began with the DIPP film featuring Prime Minister's "MAKE IN INDIA" call during his Independence Day speech. Clips of the inauguration of the MAKE IN INDIA campaign by Prime Minister on 25 September 2014 at Vigyan Bhawan were then shown. This was followed by an audio-visual presentation in Spanish by Ambassador Manpreet Vohra, on the Government of India's recently announced policies for creating industrial and urban infrastructure and making India a manufacturing hub.

The event was attended by a large number of officials from the local Government, Chambers of Commerce in Lima, Indian and Peruvian business community members, representatives of banks, academic institutions and media. Ambassador answered several questions and welcomed the Peruvian business community to forge more collaborations with their Indian partners towards taking the bilateral economic and commercial relations to even greater heights.
